Discovery Problems And Their Solutions

Synopsis

Discovery Problems and Their Solutions, Third Edition teaches effective discovery. Judge Grimm and Messrs. Fax and Sandler interweave practical advice with case law and keen observations. Important developments since the Second Edition are looked at. This Third Edition also continues its focus on practice under the 2006 electronic discovery amendments to the Rules. Electronic discovery is inherently different from other types of discovery, and this book insightfully takes those differences into account. Discovery Problems and Their Solutions, Third Edition is an invaluable resource for discovery techniques and for associated motion practice.

Customer Reviews

A very concise and useful guide to litigating key discovery issues. It would have been even better with more material on e-discovery.
