St. John Passion In Full Score (Dover Music Scores)

Synopsis

One of the most moving of all the musical settings of the Passion of Christ, and one of the most frequently performed of all religious choral works. In its solos and choruses, Bach's choral masterpiece follows the biblical text that relates the events leading to Christ's crucifixion, death and resurrection. Contemplative reflections in freely composed verse and highly expressive chorales intersperse the narrative to comment poignantly and powerfully on the events as they unfold.

Much of Dover's publications are from older sources where the voices are designated by Soprano, alto and tenor clefs. It drives me CRAZY to have to negotiate these uncommon clefs when performing and studying. I have other Dover scores where English translations appear below the designated language. This one retains the German.....with no translations.....causing one to go to another source to determine what is being spoken/sung. Other than these "complaints" the music fulfills its intended purpose!

Being a born and bred Scandinavian of course my English is much better than my German aber ich möchte doch sagen daß wenn man die Choralwerke JS Bachs studieren mag dann ist eine gute Kenntnis in der Deutschen Sprache eine nicht so böse Idee.

Dover does good work with scores!!!

Juan Sebastian Bach escribi  3 pasiones, la mas conocida es la de San Mateo y la de San Juan, esta obra es muy solemne, lleva el toque caracteristico de toda la musica de Bach, la representaci n mas grande de esta obra estuvo bajo la batuta de Felix Mendelsohn. En la obra est  plasmada toda la pasi n de Jesucristo seg n el evangelio de San Juan, valdr  a la pena que escucharas esta obra, No te arrepentiras!
