Customer Reviews

Good, solid, classical tuba solos for the beginning to moderate player. I use these to run through an easy practice without too much headache when I want to just hammer some things out to keep my lips in shape.

This book is not tremendously challenging, but as a former college tuba player, it's a good warm up for me as I work my way back after not playing for nearly a decade.... it would be a great book for beginners.

This is a very good book for the young tuba player. Solos for those who only get to play rhythm and

accents with the band. Songs they have heard before. The price was good as well.

A nice collection of classic music melodies for tuba. Tunes familiar enough for most students to recognize and enjoy trying to play. No accompaniment is included.
