Customer Reviews

This piano and vocal score (no spoken dialogue) is fine, but the print is a bit small, and in some places the words to the songs are hard to read. It looks like a reprint of an older score; a more modern type-setting would be more useful for the musicians to work from.

I bought this score 3 weeks in advance of an audition. I wanted to be well prepared, and when I saw 'bestandfastestbooks', I thought I was making the right decision. My score came after a full 2 weeks of waiting...from NJ to Texas. This left me with a week to prep, far below the time I actually needed. As a result, I had to audition on book, which I was and will never be comfortable with. The quality of the score was as advertised, so I have no problem with that. To future consumers: If you just want a book for your own enjoyment, go ahead and order. If you actually need it for a reason by a certain time, don't believe that these folks will get it to you fast. They will not.

Terrible edition. This is a BAD reprint of the old version of the score. Some words and notes are illegible, many lyrical errors, and often difficult to determine who is singing at certain points.
