Customer Reviews

buen cuento, entretenido, facil de leer y facil de explicarselo a los nenes.

This book is a classic! I love the illustrations and is perfect for storytelling. Kids absolutely love it. It is easy to read and is great for any kid from 4 to adult. I still love it. I hope you buy this book, you won't regret it.

A classic. I am building my Spanish library for my elementary and highschool students with first class children's literature.

Have the book in English & now in Spanish, both great!
