Urdangarin Y La Copa Am rica (Spanish Edition)

Synopsis

En abril de 2012 un gran número de correos electrónicos de Iñaki Urdangarín se hicieron públicos tras ser incorporados al sumario del caso Noos. Entre ellos destacan los relativos al proyecto Ayre, una iniciativa que pretendía desarrollar una embarcación para competir en la 33ª edición de la Copa América. Esos documentos marcan un punto de inflexión en el caso, pues demuestran más allá de toda duda que el rey y el resto de la familia real conocía, avalaba y participaba en las actividades de los duques de Palma. El libro «Urdangarín y la Copa América» analiza con rigor todo lo relativo a este proyecto. Sus conclusiones son extraordinariamente relevantes, no tanto por el proyecto en sí mismo, sino porque saca a la luz la verdadera relación entre la familia real y los negocios de Urdangarín.
