Customer Reviews

As an art teacher, I love the lesson this book teaches students. Many people say they can't do art, but who are they comparing themselves to? Da Vincii ? Miro? Two great artists with totally different styles. The thought behind this book is ... just try. Make a dot and see where your imagination takes you. What a great lesson. What a great lesson in life. Just try. This book is in both English and Spanish. I purchased the Spanish version as a gift. My school has a sister-school in Coba, Mexico. It is located in the center of the Yucatan Peninsula. I bought 5 copies, one for each grade level. I hope you enjoy it too!

Soy maestra de preescolar. Este cuento es de los pocos que contienen moraleja tanto para los niÃ os como para nosotros los adultos. Facil de leer y de entender. Este es uno de mis tesoros. 100% recomendable.

Excellent! Thank you!
