

The book was found

Viva El Espanol - Hola (Spanish Edition)

Synopsis

The first textbook offers a smooth continuation of Systems A, B, and C or a place to begin learning Spanish. Teachers will find it easy to tailor the Bienvenidos! section to serve as a review or an introduction.

Customer Reviews

Very disapointed we bought the book as new and it wasn't. It was in good conditions but was preowned.

Great workbook for practicing Spanish at home.

Outstanding!

Ordered a used book for home use, to let my 11 year old avoid carrying 50 pounds of textbooks on his back every day. The book I ordered arrived promptly, and in perfect condition, way better than the one he got from school.
